Altitunes

CURRICULUM

Our curriculum has been developed over 10+ years by music therapists, and music educators. In our classes we focus on child development through music, inclusiveness, and engagement.

You can expect singing, movement to music, instrument playing and a range of sensory activities your students will love!

Why Altitudes?

- Classes your kids (and parents) will Love! Our classes are engaging, creative, and educational!
- Thoughtful curriculum developed over 10+ years by music therapists, facilitated by excellent teachers!
- Convenience - We supply all the instruments and materials needed for class and adapt to your space.
- We take health and safety seriously! Instrument cleaning, CPR training, background checks, sickness policies...
- Experience - Altitudes has been offering preschool music classes for over 10 years!
