Altitunes

CURRICULUM

Our curriculum has been developed and curated over 10+ years by music therapists, and music educators. In our classes we focus on developing our inner musician, technical skills, and musical collaboration. Students will learn to play their instrument while making friends and growing their love of music!

Why Altitudes?

- Classes your kids (and parents) will Love! Our classes are engaging , creative, and educational! Body
- Thoughtful curriculum developed over 10+ years by music therapists, facilitated by excellent teachers!
- Convenience - We can host your group in our space or come to you!
- We take health and safety seriously! Instrument cleaning, background checks, staff training...
- Experience - Altitudes has been offering music classes in the Denver metro area for over 10 years!
